

# Student-Centered Classroom Organization Checklist

- Welcoming whole-group meeting area
- Designated quiet or calm-down space for self-regulation and reflection
- Flexible furniture arrangement to support collaboration and independent work
- Easily accessible materials and supplies
- Visual reminders to support routines and procedures
- Space on walls reserved to display and celebrate student work
- Students' names visibly displayed around the room
- Space for daily schedule and learning objectives
- Minimal visual clutter to help maintain focus

Notes
