

Steps to Ambassador Certification

Upon completion of the following actions, school-based ambassadors will receive certification as recognition of their role as a Fly Five expert in their community.

Attend an Onboarding Session

Join the Fly Five Team for a one-hour virtual training to learn about your role, where to locate resources and get look at the year ahead.

01

Complete Training Throughout the Year

Be present and engaged with learning throughout the year through monthly training sessions that will build your Fly Five and SEL knowledge.

02

Network and Build Expertise

Connect with fellow Ambassadors through the year and share your Fly Five expertise within your school community.

03

Celebrate and Certify

At the close of the school year, receive your certification, digital badging and celebrate your growth!

04
