

# My Classroom Culture Quilt

## Teacher Instructions

### Materials Needed:

Paper

Coloring Utensils

Yarn

Hole-Punch

### Directions:

Best utilized in grades K-4, the classroom culture quilt is a great way for students to get creative while celebrating their unique culture, traditions, and holidays. This is a scalable activity that can be used in a variety of ways, including:

#### At home:

Send this activity home for students to do with their families over the holiday break.

#### As a class:

Students can each create their own quilt square and create a class quilt.

#### As a school:

Get other classrooms involved in the fun and create a school-wide quilt.

# My Classroom Culture Quilt

**Directions:** Draw, color, write, and get creative! Decorate your quilt square in a way that represents your culture, traditions, and holidays you celebrate. Ask yourself, what colors, symbols or images represent your family traditions and holidays? Then, cut it out and assemble a quilt with your peers or family members using a hole-punch and yarn.
