# SEL Based Reading Comprehension Questions

1. How did the main character feel at the beginning of the story? What caused them to feel that way?

Focus on identifying and understanding emotions

2. Can you think of a time in the story when the character showed kindness or helped someone else? How did that make both the character and the other person feel?

Focus on empathy and kindness

3. Was there a moment when the character had to face something that made them nervous or scared? How did they handle it?

Focus on resilience and courage

4. At the end of the story, do you think the character learned something about themselves or others? What was it?

Focus on self-awareness and personal growth

5. In the story, how did the character show they were a good friend? How do you think being a good friend made the other characters feel?

Focus on relationship-building and social skills

6. Did the character ever make a mistake in the story? What did they do to fix it, and how did it make them feel?

Focus on self-regulation and accountability

7. How did the character show that they cared about someone else's feelings in the story?

Focus on empathy and understanding others' emotions
