

# Fly Five Vision Statement

When you connect your school's mission and values to the purpose of the Fly Five curriculum, you create a strong, meaningful foundation for implementation. This alignment helps you clearly and authentically explain why you are using Fly Five — both to your staff and to your broader school community.

## Here's how this alignment supports you:

- Clarifies the Purpose
- Builds Buy-In
- Strengthens Communication
- Creates a Shared Sense of Purpose

Use these samples if needed to complete the template on the following page:

### Sample Goals:

- Develop emotional awareness
- Improve collaboration and teamwork
- Encourage empathy and compassion
- Cultivate responsibility and self-control
- Build resilience in the face of challenges

### Sample impact on students:

- Improve academic performance
- Strengthen peer relationships
